Extracurricular and Co-Curricular Activities

The Superintendent must approve an activity in order for it to be considered a District-sponsored extracurricular or co-curricular activity, using the following criteria:

1. The activity will contribute to the leadership abilities, social well-being, self-realization, good citizenship, or general growth of student-participants.
2. Fees assessed students are reasonable and do not exceed the actual cost of operation.
3. The District has sufficient financial resources for the activity.
4. Requests from students.
5. The activity will be supervised by a school-approved sponsor.

Non-school sponsored student groups are governed by School Board policy, 7:330, *Student Use of Buildings - Equal Access*.

Academic Criteria for Participation

For students in kindergarten through 8th grade, selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Students must satisfy all academic standards and must comply with the activity's rules and the student conduct code.

For high school students, selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Participation in co-curricular activities is dependent upon course selection and successful progress in those courses. In order to be eligible to participate in any school-sponsored or school-supported athletic or extracurricular activity, a junior high student must maintain a passing grade in all classes. A high school student must maintain a passing grade in all classes but will be allotted one week academic probation if they are still in compliance with IHSA policy (passing at least 5 academic classes for the week). Only one week of academic probation is allowed per activity and/or sport season. If a student is deemed ineligible more than three separate occasions during an activity and/or sport season; they will be removed from the team and/or squad. Any student-participant failing to meet these academic criteria shall be suspended from the activity for 7 calendar days or until the specified academic criteria are met, whichever is longer.
